

To the International Symposium of The Juche Idea

The Philippines-Korea Solidarity and Friendship Society (PKSFS) extends its sincere wishes for a very successful International Internet Symposium on Kimilsungism and Kimjongilism which will be held on April 10-17, 2021.

We sincerely thank the DPRK Embassy in Bangkok for informing us about this important International Symposium of the International Institute of Juche Idea and for inviting us to participate.

We believe that the study on Kimilsungism and Kimjongilism is very important as it clarifies in depth the theories and methods of the revolution and construction. It emphasizes on reliance on the masses as the masters and motive force of the revolution and construction and that the independence of the people has been fully realized as well as the process by which it is built. Lastly, that the strategy and policies for the struggle should be followed, in the whole process of carrying out the socialist cause.

We sincerely apologize that we cannot join this important Symposium as we in the Philippines-Korea Solidarity and Friendship Society (PKSFS) are also preparing for our Webinar on DPRK and a tribute to President Kim Il Sung. on April 15 on his 109th birth anniversary.

We will also launch the formation of the Philippine Preparatory Committee for the celebration of President Kim Il Sung's 110th birth anniversary on April 15, 2022, the Day of the Sun,

We warmly congratulate the organizers and the participants of this Symposium on Kimilsungism and Kimjongilism to celebrate the birthday of President Kim Il Sung.

We wish you all the success of the International Internet Symposium on Kimilsungism and Kimjongilism

In Solidarity,

Mr. Rafael V. Mariano
