

# Work Plan of International Institute of the Juche Idea

## 1. To Study Kimilsung-Kimjongilism in Depth, and Disseminate It Broadly

Ours is the era when each country, each nation advances along the path of independence.

It can be said that the world people who aspire for realizing independence in their lives are earnestly desirous to obtain the guiding idea in the era of independence.

On the basis of his understanding that revolutionary thoughts of President Kim Il Sung and those of General Secretary Kim Jong Il are inseparable, First Secretary Kim Jong Un formulated them as Kimilsung-Kimjongilism.

Kimilsung-Kimjongilism is an integral system of the idea, theory and method of Juche with the Juche idea as the essence.

Kimilsung-Kimjongilism is an idea for building a society where the independence of human beings as their essential quality can be realized by their creative efforts and the guiding idea in the era of independence, which can be accepted by anybody who aspires for independence as one's own belief.

Nowadays, upholding aloft the banner of Kimilsung-Kimjongilism would be an important and prior task in realizing the popular masses' cause of independence.

### 1) To study the works of President Kim Il Sung, General Secretary Kim Jong Il and First Secretary Kim Jong Un so as to understand Kimilsung-Kimjongilism systematically

- The study and dissemination of Kimilsung-Kimjongilism firstly requires Juche idea researchers themselves to make a deep study of it.
- Studying in depth Kimilsung-Kimjongilism makes it possible for them to recognize it as a new idea for the sake of the world people and regard it as a firm principle in their struggle to realize independence.
- The works of President Kim Il Sung, General Secretary Kim Jong Il, First Secretary Kim Jong Un contain the profound contents of Kimilsung-Kimjongilism including the Juche idea that clarifies the essential qualities of human beings, the human-centred world outlook, the laws of socio-historic development and the guiding principles, along with revolutionary theories and guiding methods based on the Juche idea.
- Studying those works incessantly is a prerequisite for making a systematic understanding of Kimilsung-Kimjongilism.

### 2) To join seminars and courses organized by the IJI

**A seminar on Kimilsung-Kimjongilism:**

- Juche idea researchers in the world are required to form a fresh organizations for the study of Kimilsung-Kimjongilism or rename their existing study groups in an effort to promote the study and disseminate this ideology explicitly.
- When scholars and distinguished personalities who have influence in the society take office as office-bearers of study groups, it will make it possible for the broad masses to rally around those study groups.
- In case that several groups for the study of Kimilsung-Kimjongilism have been formed in a country, it will be advisable for those study groups to set up a national one of this kind in an effort to have their activities be performed in a unified way.
- National organizations for the study of Kimilsung-Kimjongilism are requested to hold a seminar on a nationwide scale more than once a year to disseminate Kimilsung-Kimjongilism among the broad masses of the people in those individual countries in an active manner.

### **5) To apply Kimilsung-Kimjongilism to one's social construction, while adhering to one's Juche-oriented stand in the study and dissemination of this ideology**

- (1) To make a deep study of Kimilsung-Kimjongilism in conformity with the demand of the people of one's own and realities of one's own country**

- Each nation has its own history and culture peculiar to herself under the different circumstances. Therefore, it is indispensable for Juche idea researchers in each country to adhere to their Juche-oriented stand in studying Kimilsung-Kimjongilism in conformity with the demand of the people of one's own and the reality of one's own country.
- It is indispensable to study Kimilsung-Kimjongilism in view of the realities of one's own nation and make a deeper understanding of it from all points of view such as political, economic and cultural in order to disseminate the ideology among the broad masses of the people.

**(2) To hold gatherings in various forms and ways by combining them with subjects that accord with the interests of the people**

- Holding gatherings in various forms and ways such as seminar, artistic performances and film shows by combining them with subjects that meet with the interests and concern of one's own people will make it possible for the broad masses of the people to join them.
- It will be a good idea to make good use of the Internet as a means of calling out the broad masses of the people in making preparations for a certain gathering. However, acting on them one by one, meeting them face to face is still prerequisite to this end.

**6) To visit the IJI voluntarily and exchange mutual experiences attained in their activities**

- Many achievements and exemplars in the study and dissemination of the Juche idea have been gained throughout the world.
- We of the IJI are greatly interested in such a thing as Juche idea researchers in individual countries will exchange mutual experiences gained in the study and dissemination of the Juche idea by visiting Japan where there is its office.
