

9th Executive Committee Meeting of the IJJI Board

Resolution

The International Institute of the Juche Idea (IJJI) has walked the worthwhile road of studying and disseminating the Juche idea in accordance with the desire and requirement of the world progressive humankind until today since it was founded in Tokyo, Japan on April 9, 1978.

The IJJI takes a big pride in the righteous activities that have been carried out by organizations for the study of the Juche idea and its researchers throughout the world.

The current meeting of the Executive Committee of the IJJI Board that has been opened at the time when the world people are commemorating significantly the 90th birth anniversary of President Kim Il Sung, extends whole-hearted thanks and the most reverential greetings to the President who performed great exploits before the humankind and history and paid close attention to the work of the IJJI.

President Kim Il Sung originated the Juche idea by which to guarantee that the popular masses would emerge masters of the world, clearly indicated the orientation and road to be followed by them, and opened up a new era of global independence.

Responsible persons of the IJJI, regional institutes and Juche idea study organizations throughout the world have grown up into activists of Juche, enjoying President Kim Il Sung's exceptional trust in and love for themselves during the past several decades.

The endurable exploits bequeathed by President Kim Il Sung to all of us will be an eternal driving force in developing our activities.

The current meeting takes a Resolution, reflecting the unanimous desire and aspirations of all organizations for the study of the Juche idea, its researchers and the progressive people as follows:

- 1. To make a deep study of and grasp the great feats of President Kim Il Sung, who fathered the Juche idea and opened up a new road for making the world independent, and endeavour to bring about a victory of the cause of independence as early as possible;**
- 2. To invigorate activities to make a profound study of, widely disseminate and put into practice the idea and theory of General Secretary Kim Jong Il, who is developing and enriching the Juche idea and energetically leading the cause of independence in the 21st century;**

- 3 . To steadily strengthen support to and solidarity with the anti-imperialist independent forces for the sake of building an independent, peaceful and free world;**
- 4 . To resolutely oppose and repudiate the imperialists aggression and war moves, including the globalization going against the era of independence;**
- 5 . To greet significantly the 25th founding anniversary of the IJI in the year 2003 by further developing the activities for studying and disseminating the Juche idea.**
